

Pupil Premium Policy

Fairview Community Primary School

Reviewed: January 2025

Review Due: January 2026

1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2024-2025\)](#), published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

In addition, this policy refers to the DfE's guidance on [using the pupil premium](#), [virtual school heads' responsibilities concerning the pupil premium](#), and the [service pupil premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

Our ultimate aim is that **all** children irrespective of their background, family circumstances or challenges they face make good progress and achieve high attainment across all subject areas. We are committed and focused on developing young people who are confident, feel valued and are able to thrive in our strong community. Our school ethos promotes a balance of both challenge and nurture, and enables our children to have a clear understanding of what they need to do to reach their full potential, developing well-rounded children who are inspired and happy.

Our spending strategy is informed by research evidence, referring to a range of sources, including the [guide published by the Education Endowment Foundation \(EEF\)](#) and the approaches included in the DfE's 'menu of approaches' (see the DfE's [using pupil premium: guidance for school leaders](#))

Some examples of interventions are;

- Providing extra one-to-one or small-group support
- Employing Additional teaching assistants
- CPD for teachers on evidence based approaches
- Robust assessments used throughout the school
- Funding educational trips and visits
- iPads to support targeted interventions
- wellbeing interventions including tackling non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online and using the templates on GOV.UK.

Our pupil premium strategy is available here: <https://www.fairviewprimary.co.uk/pupil-premium/>

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Year R – Year 6.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census. This includes pupils first known to be eligible for FSM in the most recent January census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post-looked after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, children who left local authority care on a special guardianship order or child arrangements order, or were in state care from outside England and Wales before being adopted.

5.4 Ever 6 service children

Pupils recorded in the most recent October census: With a parent serving in the regular armed forces, who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census, or are in receipt of a child pension from the Ministry of Defense because one of their parents died while serving in the armed forces.
